TechBoomers

The internet and technology in general can be overwhelming and difficult to keep up to date with. TechBoomers is a free educational website that teaches older adults and other inexperienced users how to interact with computers, the internet, and massively popular and convenient websites and apps.

All the instructions are offered in text. Some topics include a video. If you want to see only the videos made by TechBoomers, go to www.youtube.com and search for **TechBoomers** to find their channel.

Things To Know

- It's completely free.
- You don't need a library card.
- You don't need to make an account to use TechBoomers.
- You need to be connected to the internet in order to access TechBoomers.

How To Access

You can access TechBoomers using any computer, tablet or smart phone that is connected to the internet using the browser (Internet Explorer, Firefox, Google Chrome, etc.).

1. Open the internet browser.
2. Enter www.techboomers.com into the address bar.
3. Select **Enter**.
4. Use the search bar (located on the top) or use the menu bar (located directly below the search bar).
